Pitch! RegTech 2023

Video Submission

Participants are **encouraged** to submit a 5 min video detailing the specifics of the product and the reach and success it has had. The link to your video should be pasted into the comment box below. Videos should be in Mp4/MOV format.

These are some of the questions we're looking for you to address in your video:

- What specific regulatory requirement(s) or pain point(s) are you aiming to address and how does the product/solution address this pain point?
- What is unique about your approach?
- What are your plans and timelines for the product/solution development, and in which jurisdictions are you focusing your roll-out?
- What has progress been like in terms of client testing, POCs and adoption?
- What background do various team members have to ensure success?
- How big is your APAC team and what are your plans to further build out your APAC team?
- Has the firm received any industry recognitions or award wins?
- How much revenue has the firm generated to date and over how many years?

If you're unable to do a video submission, please feel free to write out your answers on a word document and send it over to pitch@regulationasia.com.

14. Please add your video link here (you can attach the link from youtube or vimeo):

Should you encounter any issues uploading the video, you can email the video link to pitch@regulationasia.com. Please include your name, company, product name and what pitch category you're submitting for.
